

KEVIN S. BRACKETT
SOLICITOR

August 6, 2019

According to the opinion of Attorney General Alan Wilson dated July 10, the possession of hemp flower without a license is illegal in SC. Pursuant to this opinion effective 11:59 pm August 7 all unprocessed hemp products must be removed from stores and may not be offered for sale or possessed. Hemp products possessed unlawfully are subject to seizure as contraband and may possibly result in criminal charges.

This opinion does not impact the possession or sale of legal CBD oil or other processed CBD product such as lotions which may continue to be lawfully possessed or sold.
